

Genuine "BULL" DURHAM Tobacco

Good old reliable "Bull"—without a rival.

Genuine "Bull" Durham—for rolling your own.

Cigarettes that cost you least, cigarettes that please you most: machines can't even duplicate them.

You can roll 50 cigarettes from one bag of Genuine "Bull" Durham Tobacco.

**"Roll Your Own"**

You pipe smokers; mix a little "BULL" DURHAM with your favorite tobacco. It's like sugar in your coffee.

10c**50****THIS MONTH MAY SET NEW BUILDING MARK**

More Than Three Hundred Thousand Dollars in Permits Issued First 12 Days of June.

More than \$300,000 worth of building permits have been issued in this city during the first twelve days of June, yesterday's total of \$12,000 bringing the sum total up to \$288,000.

That June will rate second in the history of Tulsa building is the opinion of H. P. Green, assistant building inspector. May 1918 set the greatest total with \$1,000,000 worth of construction work in the city's credit, while January 1918 was a close second with \$1,000,000.

Permits were issued yesterday to J. H. Wilson for two-story brick apartment houses at 1009 and 1011 north Denver avenue, cost \$20,000; S. W. Mitchell residence, 1430 Terrace drive, \$10,000; J. W. Taylor storage room, 1431 east Fifth street, \$200; Abe Smith garage, 1029 north Main street, \$500; J. J. Hickling residence, 251 south Union, \$200; J. A. Thayer residence, 1212 north Park street, \$300; H. M. Griffith shop, 1307 First street, \$500; and L. K. Cobb, repairs, 216 south Cheyenne, \$500.

TEACHER LOSES SUIT FOR HEAVY DAMAGES

Jury Returns Verdict That City Was Not Negligent; Defendant Claims Sight of Left Eye Was Destroyed.

A verdict for the defendant was returned Thursday afternoon by the jury in superior court before which the case of J. T. Thacher against the city of Tulsa was tried. The jury holding the plaintiff was not entitled to recover damages for an injury received August 6, 1916, when a horse which he was riding fell on a culvert on West First street, throwing the plaintiff beneath the animal. Thacher asked damages of \$35,000, alleging that through the negligence of the city officials, the culvert through which the horse fell was allowed to remain in a bad state of repair for a long period of time previous to the accident. He stated that as a result of the fall, the sight of his left eye was destroyed and that he suffered other permanent injuries. The jury returned its verdict after considering the testimony for one hour and a half.

SEEKS \$5,000 DAMAGES AS RESULT OF BIG FLOOD

Damages of \$5,000 were asked in the superior court in a suit filed Thursday by N. O. Cox against the Oklahoma Union railway company, the plaintiff alleging he has been damaged in that amount because of the failure of the defendant company to properly provide drainage for water collected by a railroad embankment adjoining lot 5, block 43, Owen addition to the city of Tulsa, owned by the plaintiff.

Cox states in his petition that he is the owner of the lot, and also a 14-room house thereon and the household furniture. It is claimed by the plaintiff that for a long time past the water held by the embankment has caused much damage to his property and that following the rains on June 7, his property was damaged to the extent of \$5,000 by flood water.

TWO OVERSEAS SERVICE MEN RETURN TO TULSA

Two arrivals from overseas, reported at the Red Cross yesterday. They were Sergeant Sherman Barclay and Charles E. Bean.

Sergeant Barclay was discharged at Camp Mills, New York, after going overseas September 1, 1918. He belonged to the motor transport corps and was located at Neufchateau.

Sergeant Barclay's home is at 815 West Second street.

Charles E. Bean belonged to Co. B, 126th Infantry, 32nd division, and participated in the engagements in the Argonne Forest for three weeks. Mr. Bean was over from August 22, 1918. He landed in New York May 11.

WEST TULSA REVIVALISTS COMING ACROSS THE RIVER

Marking the close of the evangelistic services in West Tulsa Monday night, under the direction of Evangelists Johnson and Hubbs, when more than 400 persons were converted by their preaching, the ministers have been invited to open a series of meetings in the First Baptist church.

The decision was reached after a conference between the pastors of the First Baptist, the First Methodist church and the First Baptist church held yesterday morning. Beginning at the Baptist church the first service will be held at 11 o'clock Sunday. Arrangements have been made for the congregation of the Methodist church to attend the services at the Baptist church at 8 o'clock Sunday evening.

Explosion Victim Buried.
Funeral services for Alex. Brown, oil well driller who was killed last Friday in an explosion northeast of the city, were held yesterday afternoon at Mowbray's funeral chapel. Burial was in Rosehill cemetery.

Maid, With Her "Man" and Five Children, Mysteriously Gone

No trace of the five children of A. Gordon, merchant in Park view, and the maid in charge of the children, who have been missing from home since yesterday morning, has been found by the police.

According to the story told by the police yesterday by the father of the children, living in age from one-half to 13 years, and Tulsa May, the maid left the Gordon home yesterday with her "man," accompanied by the five children. Since then no trace of the maid, children or the "man" has been found.

A thorough search was made by relatives and friends of the family, but no trace of the party could be found. The police are adding to the search.

Mother Comes From Avant to Greet Her Hero-Son in Tulsa

There were mothers and mothers in Tulsa to greet their sons when the section bearing Company B, 111th engineers, pulled into the Frisco station last night, but there was none more anxious to see their sons than was Mrs. Mary Henry.

Mrs. Henry came all the way from Avant to greet Earl Henry, private in Company B, from whom she had not received any mail since April. With her she brought Hazel Henry, aged 2, and Mabel Henry, aged 8.

The trio arrived in Tulsa Wednesday morning and the mother, with her little girls, waited at the Frisco station for hours waiting information of the 111th. She spent practically the entire day Thursday at the station, and while 200 other women were looking at top speed Mrs. Henry never sat down to rest and soothed her baby girl, who was too young when Earl went to war to recognize her brother now.

But that is the mother of it. All the way from Avant, two days in a strange city and a 600 and 900 station and never a complaint because of the repeated delay which was delaying her boy.

After all, it was Thursday, and that was mother's day in Tulsa.

YORK IS "FADED"**Oklahoma Has a War Hero Who Has Beaten Tennessee's Record, McClintic Says.**

Special to The World.
WASHINGTON, June 12.—Congressman McClintic of Oklahoma, addressing the house of representatives today, said that not only Oklahoma, Oklahoma and Texas, he proud of the record of the 26th and 90th divisions. He called attention to the fact that companies A, B, C and D of the 352nd infantry, 90th division, was the first organization to break the Hindenburg line.

The greatest individual feat of the war, even surpassing that of Sergeant Alvin York, he said, was made by Private William H. Rice, 14th infantry, 35th division, whose home is near Putnam, in Dewey county, Oklahoma. According to the French commander, Rice captured 371 prisoners, destroyed 34 machine gun nests and held the position. General Smith, commander of the 16th division, who has been visiting his family here, will leave Thursday afternoon for Camp Howards. General Smith today expressed regret that he found it impossible to go to Oklahoma for the celebration.

BEWLEY TEMPORARY CAPTAIN OF POLICE**Detective Is Assistant to Chief Allen Pending Outcome of Charges Filed Against Wood.**

With the resignation of Capt. R. Woods from the police department several weeks ago the department has been without a leader and in order to have a man in charge until July 15, L. W. Bewley, detective, has been temporarily placed in charge of the force to assist Chief of Police Allen.

The temporary appointment was made necessary on account of the large increase of arrests made during the past several weeks. Bewley will act in the capacity until the middle of next month when a permanent captain will be selected, said Chief Allen last night.

The unofficial reports which have been circulating among the police officials that there will be several changes in the department shortly are without foundation, and no changes are contemplated, Allen says.

There will be an increase, however, in the traffic force during the latter part of July if the funds which will be appropriated for the coming year are sufficient, he said. "We have been working under difficulties for some time on account of the small number of men in the traffic department and the present idea is to increase the motorcycle force."

It is probable that Captain Woods will be considered the resigning and will take up the duties as captain of the department as soon as the present indictment against him, either are dismissed or come to trial. "I am sure that there is nothing in the indictment,"

INTERURBAN GETS FIRST LEGAL TASTE OF FLOOD

Asking damages of \$1,450, suit was filed in superior court Thursday by Mrs. Mary Sher, 409 South Maybelle avenue, against the Oklahoma Union railway, the plaintiff claiming that the residence was made worthless by water, inundated by an embankment of the defendant company following the rains on June 7.

Mrs. Sher alleges as that owner of the furniture, she has been damaged in the full value of the household goods through the negligence of the defendant company in failing to provide for drainage of water collected by the railroad embankment near her home.

Cattle Casualties High.
Reports of L. B. Gandy, city dog warden, show that 252 stray and feral dogs have been captured and euthanized since the beginning of the year. The dogs usually list has already reached 69.

Building City Machine Shop.
Construction work on the machine shop for the city fire department has started in rear of the city hall at West Second street. Part of the foundation was completed yesterday.
